

PRATHOSH R P

B.Tech CSBS Student | Software Developer | Aspiring AI/ML Engineer

Chennai, India | 7397652409 | prathosh.rp.official@gmail.com | [LinkedIn](#) | [GitHub](#) | [LeetCode](#)

EDUCATION

Chennai Institute of Technology — B.Tech, Computer Science and Business Systems (CSBS)

2nd Year, Expected Graduation 2029 | CGPA: 9.06/10

SRV Boys Matric Higher Secondary School — Class XII: 97% | Class X: 93.6%

TECHNICAL SKILLS

Languages: C++, Python, Java, JavaScript, HTML, CSS

Tools & Technologies: Git/GitHub, SQL/MySQL, Node.js, Flask/Django, Figma

Core: Data Structures & Algorithms, Web Development

INTERNSHIP EXPERIENCE

Web Development Intern — YAA Creations, Rasipuram, Namakkal May 11 – May 30

- Completed a 15-day internship gaining hands-on exposure to web development fundamentals using HTML, CSS, and JavaScript.

PROJECTS

Family Sync — Individual Project | Flutter, Dart, Firebase, Firestore

- Built a cross-platform family collaboration app enabling family creation, member joining, and secure login using Firebase Authentication.
- Implemented shared grocery-list and task management with real-time synchronization via Firestore.
- Designed a responsive UI with persistent login sessions using SharedPreferences for a seamless user experience.

GreenFleet — Team Project | React, TypeScript, Vite, Tailwind CSS

- Developed a proof-of-concept voyage planning system that evaluates ship routes using vessel, cargo, fuel, and weather parameters against deterministic scoring logic.
- Built an interactive dashboard with Recharts to visualize estimated fuel usage, cost, CO₂ emissions, and delivery time across route options.
- Created a custom SVG-based maritime map and implemented dynamic re-planning of routes when simulated conditions change.

ACHIEVEMENTS & LEADERSHIP

- Finalist, SEBI Hackathon (Team) — recognized among top teams for solution design and execution.
- Finalist, Build With Bharat 2.0 (Team) — shortlisted for technical merit and presentation.
- Served as Hackathon Team Lead and Technical Team Member, coordinating team efforts and contributing hands-on development.
- Solved 200+ problems on LeetCode with a contest rating of 1500+.

CERTIFICATIONS

- 72hrs ADCA Course Completion Certification
- Coursera — Course Completion Certificate
- MongoDB Skillathon — Participation/Completion Certificate
- SkillRack — Course Completion Certificate
